

**IMPORTANT NOTE: ONLY USE THE DISC PROVIDED IN A REGISTERED PREVIEW CONSOLE.**

FAILURE TO COMPLY WITH THIS NOTE WILL RESULT IN NON-PREVIEW CONSOLES UNABLE TO CONNECT TO LIVE UNTIL FINAL RELEASE OF SOFTWARE TO THE WORLD.

## Welcome to the Xbox LIVE Update!!!

We are excited to have you participate in the Xbox LIVE Update program and look forward to your active involvement. Your feedback is invaluable at shaping the future of Xbox.

Enclosed you will find a full version copy of **Halo Reach**. This copy is being provided to select Preview participants to help test out an updated Xbox 360 disc format. This media is yours to keep and is authorized for your use only. Please **do not** distribute, sell, trade or lend the game title—it will cause unintended consequences on a non-preview console.

In addition to testing the media provided, we will also want you to confirm that existing media from your personal library is still compatible on your Xbox following the latest system update.

**ONLY on the console you have registered for the Preview:**

### **User Actions:**

Place the **Halo Reach** disc into your registered preview console and accept the prompt for the local System Update that is included on the media provided

1. Play **Halo Reach** using the media provided (campaign, multiplayer, offline, online) for at least an hour
2. Play as many **other games from disc** from your personal collection
3. Play **DVD** movies and use **audio CDs**
4. Provide your feedback via <http://connect.microsoft.com>

Specifically we are looking for the following information:

- Did you experience any issues in taking the system update after putting the provided media into the disc drive
- Tell us what titles you have played and if you installed the title to the hard drive
- Notify us of any issues that you may have encountered and the state of the discs (e.g. pristine, scratched, etc.)
- Report any types of error codes or the exact error text in the case of an error message

Thank you,  
Xbox Beta Administrators
